PRODUCTION PROCESS

New technologies always bring a different experience to products. We apply some production process and technology used in other products to puzzles, bringing a fresh and vibrant appeal to the product.

Glitter

Silk printing

Floor puzzle road

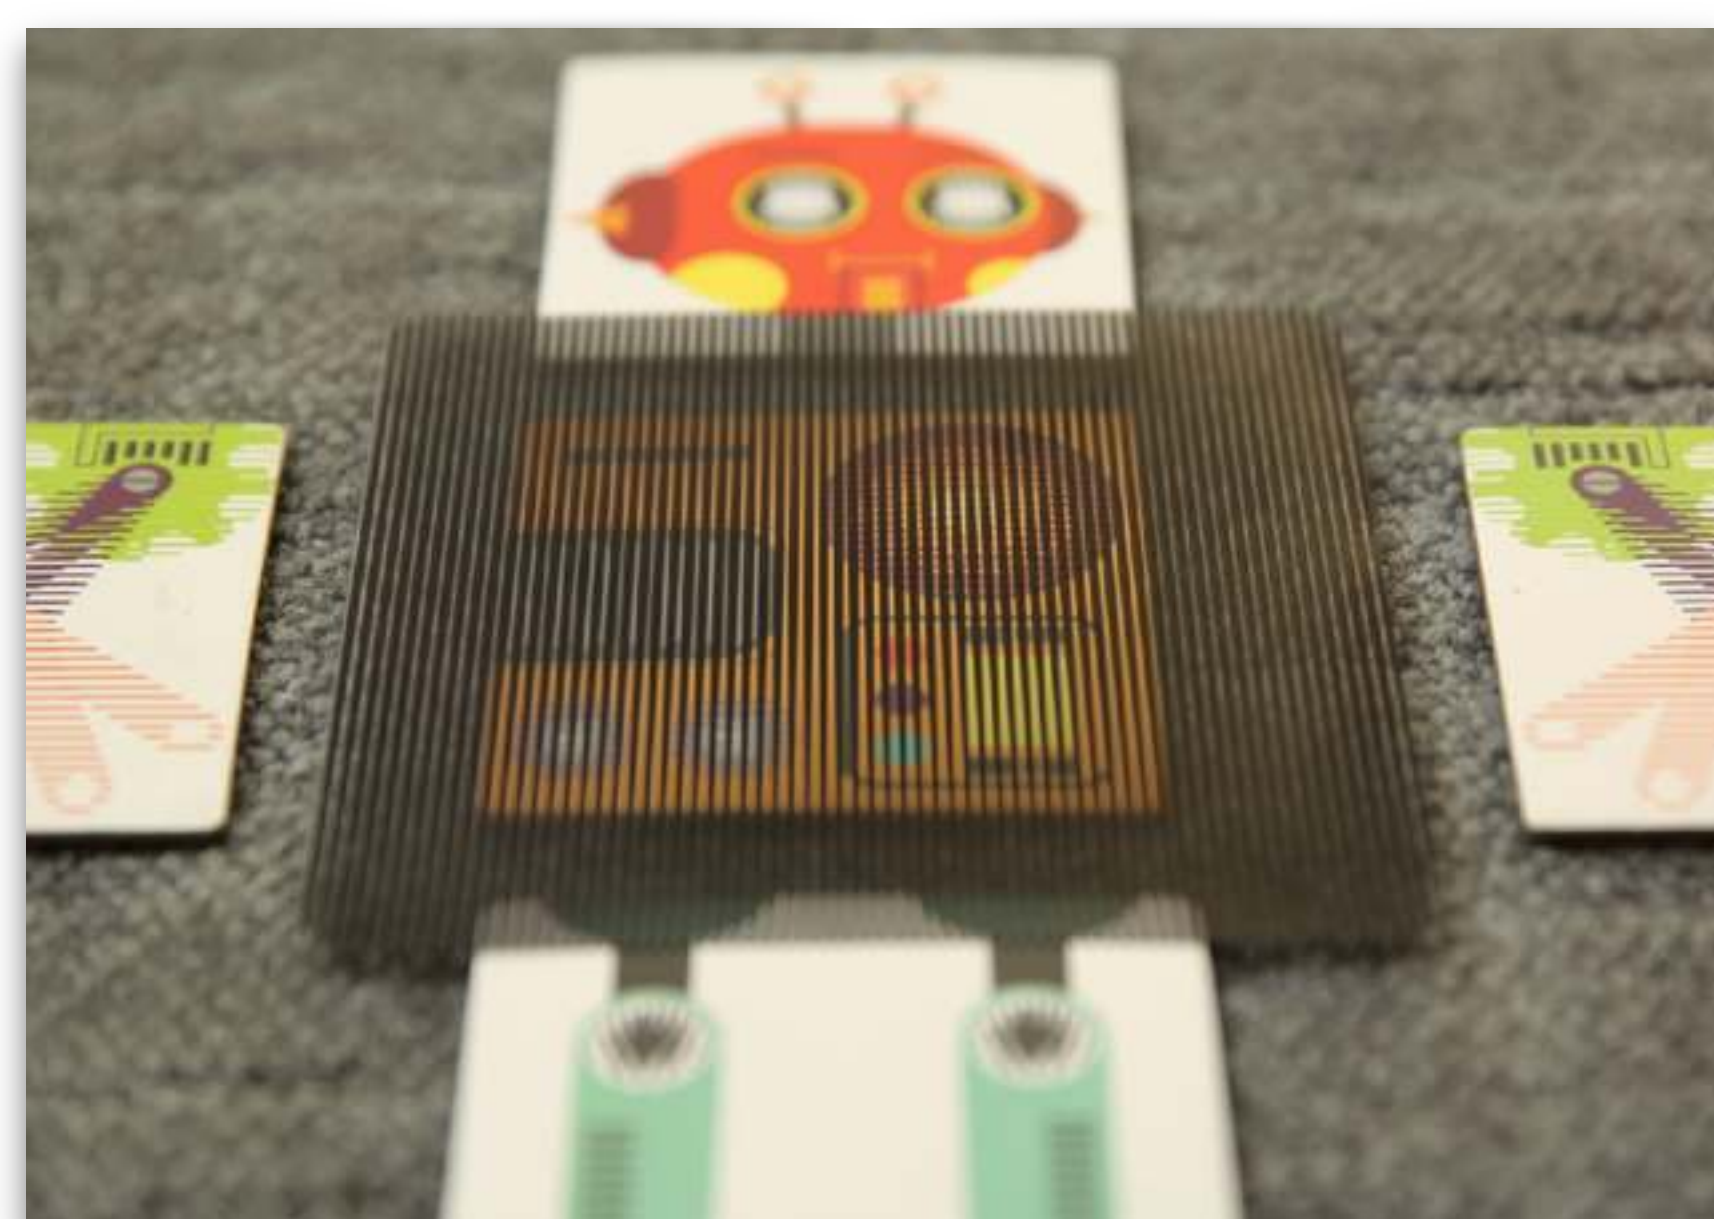

Sound puzzle

Flap puzzle

Search and find puzzle

Light barrier

Colouring book & puzzle set

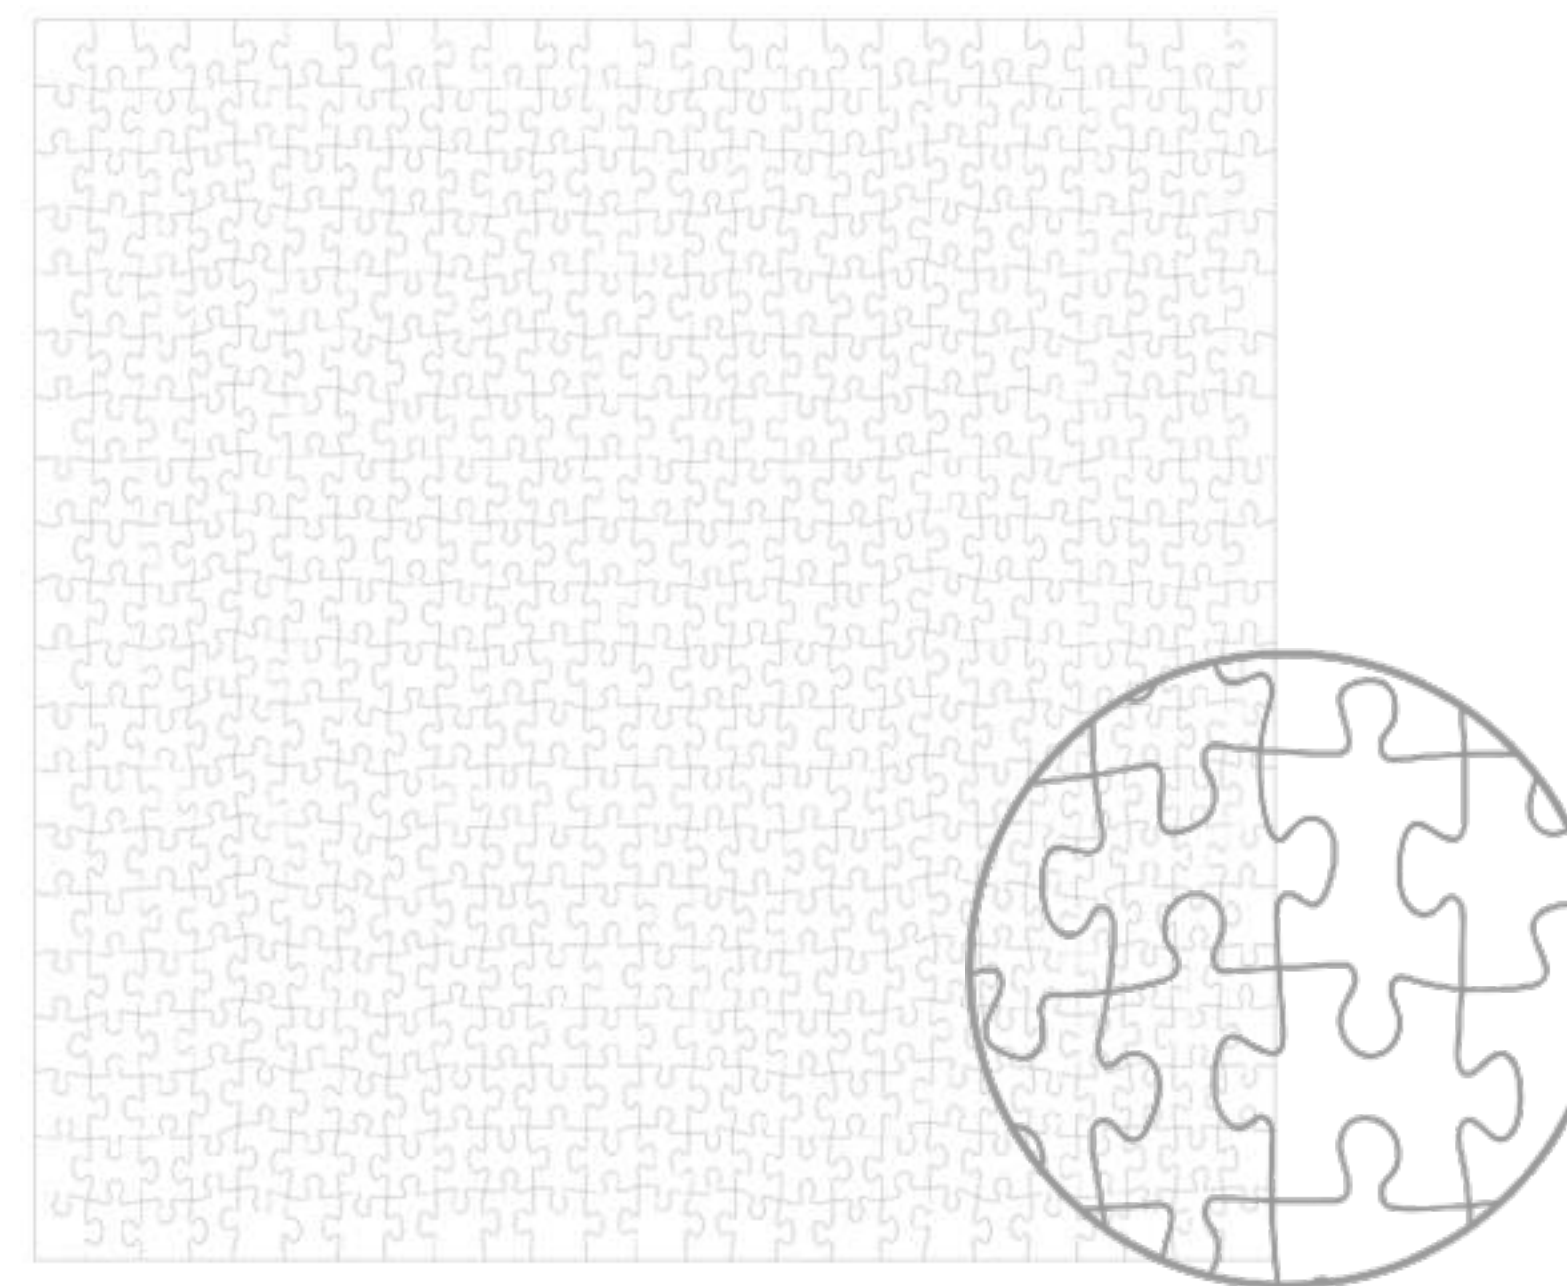

FUNCTION

Applying special technology to puzzles can make them more interesting. For example, incorporating sound-producing components or creating puzzle tracks with a wind-up toy car can provide creative elements that keep children endlessly entertained.
