

CREATIVITY IN BOARD GAMES AND PUZZLES

HOBON PRINTING

Established in 1995, it was originally a factory producing decals. Later, it gradually transformed into a professional manufacturer of puzzles and board games.

The company is located in Ningbo, China. It has more than 100 employees, a production workshop of more than 10,000 square meters, multiple automated production equipment, and an annual sales volume of 20 million US dollars.

HOBON PRINTING is committed to becoming a leading global manufacturer of puzzles and board games, providing OEM and ODM services for global brands.

Welcome to visit our company and look forward to cooperating with you!
